

# How We Behave Online

I am \_\_\_\_\_ about how I behave online.  
I visit only websites my parents or teachers approve.

I pledge to be \_\_\_\_\_ online.  
I share encouraging and positive messages.

The internet is a tool you can use to \_\_\_\_\_ others.  
You can learn new ideas as well as share what you know.

When using technology, I practice \_\_\_\_\_ .  
I don't share my home address with anyone.

I \_\_\_\_\_ other people with my comments online.  
If I disagree, I do not call names or put anyone down.

If I see something bothersome online, I tell a grown-up  
even if I am embarrassed. This is practicing \_\_\_\_\_ .
